Bangalore District.

Letter No.D.1 Dis.7 of 21-22 dated Bangalore,26th September 1921 from the Assistant Commissioner in charge, Bangalore Taluk, to the Deputy Commissioner, Bangalore District.

With reference to your docket No.H.C.543 of 19-20 dated 23rd September 1921 regarding the diversion of the cart track in connection with the acquisition of certain lands for the Military Dairy Grass Farm in Hadagodi and Koramangala, I have the honor to state that I saw the lands to-day in company with the Patels of the villages of Haddagodi and Koramangala and the Hobli Sheikda and some villagers. As observed by you in your letter No.H.C.543 of 19-20 dated 6th July 1921, to the Chief Secretary to Government , no diversion and no appreciable repair is necessary to the existing cart track. Taking into consideration the fact that the Military Dairy Farm authorities have allotted and set free a fair cart track for the villagers in Survey No.56 of Hadagodi village for which they have paid compensation, which joins the existing cart track to Koramangala village, it does not seem fair to ask the Military authorities to pay for any slight repairs that may be done to the latter track. I would therefore submit that the acquisition proceedings in the matter may be finally closed and the fact reported to Government.
